5. Notes

A. Measures 1, 2 and 3 based on analysis of data from the Get information about schools service open as of download in June 2021.

B. Measures 1 and 2 looked at 486,177 postcodes across all local authorities in England.

C. Measure 4 based on analysis of freedom of information request for September 2021 entry.

D. Ranking in measure 4 is based on % of total applicants with preferences expressed.

E. For pupils assigned faith schools against their wishes, FoI response used local authority #925 - Lincolnshire

F. 15 Grammar schools are included in Lincolnshire. Not all pupils will have access to these schools, meaning that non-faith school options may actually be more restricted.
