

Petitioner wants to “illegalise” the NSS

Posted: Thu, 8th Aug 2013

An attempt to put a petition up on the Government's e-petition website by someone called "Paul" which [calls for the NSS to be made illegal](#), has been rejected.

The proposed petition reads:

"Deconstruct the 'National Secular Society'

The National Secular Society wants to deconstruct the Church of England. Please vote in favour of illegalising them and hence supporting the church and the faithful. P.s. This is a loving initiative."

The petition was rejected on the grounds that "it did not have a clear statement explaining what action you want the government to take."
