## A faith-based education system is deeply inefficient

*Both the Government and the Labour Party have wilful blind spots around faith schools, and as the Government looks... [Read More »](#)*

## The Casey Review lays bare the failure to integrate Muslim minorities

*Dame Louise Casey offers a damning critique of mass immigration undertaken without serious efforts to integrate new... [Read More »](#)*

## Protecting women's rights is the priority, but that isn't the only legitimate concern about sharia

*Gender inequality isn't the only problem with sharia councils, and non-Muslims have every right to object to the foundation... [Read More »](#)*

## Review: The Battle for British Islam, by Sara Khan with Tony McMahon

*There are three million Muslims in the UK. The evidence shows they are becoming more religiously conservative, thousands... [Read More »](#)*

## Conflating abuse with criticism of Islam risks a return to a UK blasphemy law

*The BBC and Demos have published an accidental case-study in why we should all stop using the meaningless and sinister... [Read More »](#)*

## **Press regulator rules ‘honour’ killings are not Islamic**

*The press regulator has issued a troubling ruling that the Mail Online must state that Islam "does not support" 'honour... [Read More](#) »*

## **62% say there is “no place in UK politics for religious influence of any kind”**

*The overwhelming majority of Britons believe religion should not "influence" politics in the UK, and majorities of... [Read More](#) »*

## **Muddled-thinking on counter-extremism threatens free speech**

*Leaks ahead of the Government's latest counter-extremism drive show that they have failed to balance freedom of speech... [Read More](#) »*

## **Muslim support for theocracy, not terrorism, is the real threat to confront**

*The ICM poll on 'What British Muslims Really Think' shows clearly that widespread support for Islamic theocracy, not... [Read More](#) »*

## **Christian country? Politicians should be careful what they wish for**

*The demise of Anglican Christianity won't herald a uniformly secularised society, but a fractured country where the... [Read More](#) »*

## **Dan Walker’s creationism may be an affront to science – but he’s entitled to his beliefs**

*The appointment of "young Earth" creationist Dan Walker to front BBC Breakfast has caused a considerable backlash,... [Read More](#) »*

## **Minister's claim that secularism pushes Muslims towards ISIS is a shameless attempt to advance Christian privilege**

*Stephen Crabb MP, the Secretary of State for Wales, has said that secularism and "creeping intolerance" of religion... [Read More »](#)*

## **A timid defence of free speech is no match for Islamism. We must do better.**

*Society needs a much more vigorous defence of free speech than the one we are getting, with the 'elite' of society... [Read More »](#)*

## **Ted Cruz says the President of the United States should be “on his knees” before God “every day”**

*Young Americans might be turning away from Christianity, but the American religious right is more audacious than ever... [Read More »](#)*

## **Some good news for free speech on campuses**

*With too many instances of campus censorship to list, it's easy to be pessimistic about freedom of expression on campus... [Read More »](#)*

## **Warwick Student Union have now done the right thing – but universities themselves must step up to defend free speech**

*After taking relentless criticism on Twitter and Facebook, Warwick Student Union has reversed its decision to block... [Read More »](#)*

## **The media now say ‘Islamophobia’ without question; but insist on the “so-called Islamic State”**

*Reporting of the deeply troubling rise in anti-Semitic and anti-Muslim attacks demonstrates that the term 'Islamophobia'... [Read More »](#)*

## **We need a Robert Conquest figure to demolish the pro-Islamist left**

*The late historian Robert Conquest exposed the true horror of Stalinism; and the 21<sup>st</sup> century badly needs a similar... [Read More »](#)*

## **Misrepresenting concerns about Islam won't make society more cohesive**

*Recent polling found that 56% of Britons think Islam poses a threat to democracy. However this finding has been misrepresented... [Read More »](#)*

## **Preacher James McConnell faces prosecution for calling Islam "Satanic"- the state again tramples over free expression**

*Free speech for all is threatened once more by the senseless prosecution of another Christian preacher. His religious... [Read More »](#)*

## **Academic claims university atheists are "militant"**

*A paper published by the Leadership Foundation for Higher Education has claimed that atheists can be "militant" on... [Read More »](#)*

## **Anti-Muslim bigotry and the problem, with 'Islamophobia'**

*Islamists are again using the victims of anti-Muslim bigotry to advance their agenda. Once again, a British university... [Read More »](#)*

## **Christian leaders need to prioritise their targets**

*It is tiresomely common to have some Christian leaders describing secularism as intolerant, bigoted, militant or aggressive.... [Read More »](#)*

## **After initial crisis, nation struggles on without Minister for Faith**

*After initial panic and a constitutional and political crisis, the country is struggling on without a Minister for... [Read More »](#)*

## **Most Britons aren't religious- but are religious 'voting blocs' wielding increasing power in our elections?**

*Religious leaders are wielding disproportionate influence in this election. Benjamin Jones argues that this is likely... [Read More »](#)*
