

**Author: Prof. Steven Kettell**

## **It's time to disestablish the Church of England**

*As the National Secular Society prepares to send a major report on the subject to MPs, Prof. Steven Kettell says the... [Read More »](#)*

## **Britain's 'Christian right': seeking solace in a narrative of discrimination**

*The 'Christian right' in the UK may not be anywhere near as powerful as its US counterpart, but it still tries to... [Read More »](#)*

## **It's time for an end to special religious privileges: we need a secular state**

*Should the Anglican peers in the Lords be joined by religious leaders from other faiths? Ought the BBC be required... [Read More »](#)*
