## ICT Technician (Male) – Madani Boys School

Date Posted Thursday, 23 January 2014

Location Madani Boys School

Duration Closing date - Monday 17 February 2014 at 09:00am

Job Description

### ICT Technician (Male) – Madani Boys School

Madani Schools Federation are seeking to appoint a person who is able to act as a Male Technician in the ICT department and offer support for whole school issues. We are looking for an exceptional, enthusiastic and experienced Male ICT Technician to join our ICT Team.

The ICT Technician will be responsible for the maintenance of the ICT network and for the resolution of identified technical problems, as well as undertaking general tasks which will promote the use of ICT across the curriculum.

The successful applicant will work under the direction of our ICT Network Manager in supporting over 600 computers on our networks. ICT is an essential resource both to teaching and to school management.

Covering everything from desktop and server work to installation, maintenance and monitoring. This is a varied role in a busy environment that will ensure a range of students and staff benefit from an effective, efficient ICT support service.

You will liaise with school staff, working closely with fellow technicians and meeting SLA's. Naturally, you'll need proven ICT skills - both with hardware and software, but equally important is the ability to communicate well at all levels. Ideal candidates will demonstrate outstanding customer service skills, as well as a calm and courteous manner with a good sense of humour and the ability to relate well to both children and adults.

**Hours :** 37 hours per week/full time/permanent.

**Responsible to:** ICT Manager

**Salary Scale:** Scale Point 4 P18-21 Salary: £17,333 - £19,317
