

"I, _____, became God's
child today." Date: _____

To continue on in your greatest adventure:

- Pray. Talk to God from your heart about anything, anytime, anywhere.
- Get a Bible and begin reading it. Try starting with the book of Mark, then Acts and James. Then just keep reading.
- Tell your friends what has happened to you. They can become God's children too.
- Find a local church where they love Jesus and where the Bible is taught. You'll meet more of God's children and learn about God.
