## Tell your MSPs: Don't let the Hate Crime Bill undermine free speech

Please ask you MSPs to ensure freedom of speech, including the freedom to criticise and satirise religion, isn't undermined by the new [Hate Crime and Public Order \(Scotland\) Bill](#).

Before you send your email, you may wish to take a look at our [full briefing about the Bill](#).

MSPs receive a lot of communications, including copies of template letters. Please consider taking the time to personalise your communication. Let them know.

- Why this matters to you
- What you'd like them to do about it.
- Any other interesting perspectives you may be able to offer on the issue.
