

## Affiliated groups

Local and special interest groups are a great way of raising local awareness of secular issues, running localised campaigns and socialising with like-minded secularists. Below is a list of websites and contact details of groups affiliated to the National Secular Society.

These groups are independent of the NSS, but all support the aims of the society.

To discuss how we can work together to promote secularism, please [get in touch](#).

## Group Membership

[From £2/month \(Autorenew\)](#)

[From £24/year \(Autorenew\)](#)

[From £24/year \(One-off\)](#)
