

# MP Letter: Non-stun slaughter

## Non-stun religious slaughter

### Tell your MP why you support a complete ban on non-stun slaughter

Writing to your MP can help to get the campaign for an end to the religious exemption that allows animals to be slaughtered without pre-stunning on the political agenda. We campaign in parliament as an organisation, and your support will bolster our case.

### Hints and tips

- Personalising your letter will make it more likely to have an impact.
- Keep your thoughts fairly brief. MPs are busy and get a lot of correspondence.
- Use clear and simple language.
- If you have an interesting perspective which helps to support the argument against non-stun slaughter, consider sharing it.

Dear {{name}},  
Please consider supporting the National Secular Society's campaign  
to end the religious exemption that allows animals to be

animal welfare at the time of death. Despite this, there has been a sharp rise in the number of animals slaughtered in recent years according to the Food Standards Agency.
