### **NSS: Protect patients' rights from religious exemptions**

Posted: Tue, 07 Mar 2017

The National Secular Society (NSS) has responded positively to a consultation on new guidelines for pharmacists which prioritises patients' healthcare needs over pharmacy professionals' religious views. [Read More »](#)

### **Pharmacists must put patient care before religious beliefs**

Posted: Wed, 29 Jun 2016

Secularists have urged the General Pharmaceutical Council to ensure that pharmacists set aside their personal religious beliefs if they conflict with a patient's medical needs. [Read More »](#)

### **Secular Medical Forum rebukes NHS for advertising £22,000 spiritual healing job**

Posted: Thu, 15 Oct 2015

Doctor Antony Lempert of the Secular Medical Forum (SMF) has strongly criticised an NHS Trust for advertising a "Spiritual Healer" post to work with breast cancer patients. [Read More »](#)

### **Judge rules seriously ill teenager should receive treatment involving "blood products" against mother's religious objections**

Posted: Fri, 01 Aug 2014

A High Court Judge has ruled that doctors can administer "plasma exchange treatment" to a seriously ill teenager after the boy's mother objected on religious grounds. [Read More »](#)

### **Secular doctors call on the GMC to revise personal belief and medical practice guidance**

Posted: Wed, 17 Apr 2013

Secular doctors have called on the GMC to urgently revise guidance that allows religious doctors to opt out of providing a particular procedure on the grounds of belief. [Read More »](#)
