'Trojan' report finds deliberate action to promote intolerant and aggressive Islamist agenda in schools

Posted: Tue, 22 Jul 2014

A report commissioned by former education secretary Michael Gove in April to investigate claims of a plot to takeover state schools in Birmingham has uncovered evidence of "co-ordinated, deliberate and sustained action to introduce an intolerant and aggressive Islamist ethos into some schools in the city". [Read More »](#)

Trojan Horse schools pupils 'vulnerable to extremism'

Posted: Thu, 10 Jul 2014

According to Ofsted's chief inspector, Sir Michael Wilshaw, inspectors of the so-called Trojan Horse schools in Birmingham have found that pupils were "vulnerable to extremism" and that some had been targeted by hard line Muslim governors in a 'planned and orchestrated' plot to radicalise pupils. [Read More »](#)
