

**Author: A Teacher**

## **Scotland's faith schools are a divisive anachronism**

Having worked in education for nearly 40 years I am convinced that the continuing existence of faith schools divides... [Read More »](#)

## **Teacher's perspective: non-Catholics need not apply**

*When Rachel applied for a teaching position at a state funded faith school, she found that non-Catholics weren't welcome... [Read More »](#)*

## **Job applications should not be a matter of faith**

*A teacher's perspective on why faith schools should not be able to select staff and students based on their religion.... [Read More »](#)*
