## [Vatican's attack on its critics is a familiar tactic](#)

Posted: Fri, 07 Feb 2014 by [David Clohessy](#)

***After hearing the UN's scathing attack on its child abuse record, the Vatican's counter-attack against its critics is a familiar tactic, argues David Clohessy***

Inadvertently, by their comments over the past day, Vatican officials are essentially proving what...
