The child abuse inquiry has been too deferential to the Jehovah's Witnesses

Next week the IICSA inquiry will publish a report into the Jehovah's Witnesses. This can only be damning. But the... [Read More »](#)

NHS trusts' cosy relationships with Jehovah's Witness leaders could have tragic consequences

Committees of Jehovah's Witnesses who encourage patients to refuse treatments involving blood are seeking influence... [Read More »](#)

The harm caused by Jehovah's Witnesses shows charity law reform is urgently needed

The Jehovah's Witnesses organisation causes serious abuse and harm, says Lloyd Evans. Its charitable status should... [Read More »](#)
