The 'war on Christmas' is coming

Posted: Fri, 10 Nov 2017 by [Alastair Lichten](#)

The myth of a culture war on Christmas may be comical and its claims endlessly debunked, but its promotion is part of a campaign for Christian supremacy, argues Alastair Lichten.

It's coming... the 'WAR ON CHRISTMAS!!!' You've been warned: the seasonal... [Read More »](#)

Stephen Crabb MP, the Secretary of State for Wales, has said that secularism and "creeping intolerance" of religion "risks pushing more young Muslims into the arms of Isis". Benjamin Jones responds, debunking his nonsensical claims.

Christian leaders need to prioritise their targets

Posted: Thu, 28 May 2015 by [Benjamin Jones](#)

It is tiresomely common to have some Christian leaders describing secularism as intolerant, bigoted, militant or aggressive. At a time when Christians are being met with genuine persecution around the world, Benjamin Jones argues that Christian leaders should... [Read More »](#)

It's grossly distasteful to equate the persecution of Christians in the Middle East with the discomfort felt by some Christians in Britain at having to provide services in a non-discriminatory

manner, argues Alastair Lichten.

Cardinal Vincent Nichols's recent... [Read More »](#)
