### ['British values': a source of unity in polarised times](#)

Posted: Thu, 05 Oct 2017 by [Lottie Moore](#)

*Efforts to promote 'British values' in schools are being criticised, mainly on account of their name, but these four clear values already underpin our education, and are something to which we should aspire, argues Lottie Moore.*

In 2014 the government made it... [Read More »](#)

### [Britain should embrace secularism as it loses its religion](#)

Posted: Fri, 08 Sep 2017 by [Chris Sloggett](#)

*As new data suggests non-belief is at a record high, Chris Sloggett says secularists should be more assertive in making the case for freedom of and from religion. This article was [originally published](#) by the International Business Times; reprinted here with... [Read More »](#)*
