### [The government should stand up to parents who want religious opt-outs](#)

Posted: Wed, 27 Feb 2019 by [Chris Sloggett](#)

Giving ground to religious groups' individualistic demands for opt-outs from relationships & sex education undermines children's rights and teachers' ability to do their job, says Chris Sloggett.

### [Review: The Children Act](#)

Posted: Thu, 08 Nov 2018 by [Emma Park](#)

*Emma Park says Ian McEwan's book and the film it has inspired prompt the questions of what the state should do when a young person's religion conflicts with their welfare, and how this affects religious freedom.*

*This review contains spoilers.*

Does the state... [Read More »](#)
