[Let's face facts: FGM has something to do with religion](#)

Posted: Thu, 14 Mar 2019 by [Megan Manson](#)

Politicians who insist female genital cutting has nothing to do with religion set a dangerous precedent that undermines campaigns to combat it and other religious harms, says Megan Manson. [Read More »](#)

[Genital cutting and the laws of unintended consequences](#)

Posted: Thu, 22 Nov 2018 by [Dr Antony Lempert](#)

This week's developments on ritual genital cutting in the US and Denmark highlight the need to adopt a consistent application of human rights principles for everybody, regardless of gender, argues Dr Antony Lempert.

International legal conventions and agreements... [Read More »](#)

[How secularism protects people who have religious faith](#)

Posted: Wed, 14 Nov 2018 by [Megan Manson](#)

For Interfaith Week 2018, campaigns officer Megan Manson explains how the National Secular Society's work protects those who are religious as well as those who are not.

One of the most common misconceptions about the National Secular Society is that we are...

Genital cutting: the search for 'health benefits' is disingenuous and inconsistent

Posted: Thu, 27 Sep 2018 by [Brian D. Earp](#)

The principle of bodily autonomy is enough reason to end genital cutting, says Brian D. Earp. Allowing 'health benefits' to dictate its acceptability risks legitimising inconsistent, pseudo-scientific justifications. [Read More »](#)

Convictions for female genital mutilation: France - 100; Britain 0

Posted: Thu, 25 Jul 2013 by [Joan Smith](#)

Back in 1999, a group of MPs criticised the author Germaine Greer. They were astonished by her claim in a book that criminalising female genital mutilation (FGM) amounted to "an attack on cultural identity". The MPs described Greer's view as "simplistic and... [Read More »](#)
