[Law Society, religion and the law: reasons to be cheerful](#)

Posted: Tue, 23 Dec 2014 by [Sadikur Rahman](#)

The last year has seen a number of successful campaigns against attempts to impose religion in our secular legal system. Council member Sadikur Rahman looks at hopes for optimism in 2015.

When in March this year I wrote a [humble blog piece](#) criticising the Law... [Read More »](#)

[The Law Society should stay out of the theology business](#)

Posted: Tue, 13 May 2014 by [Sadikur Rahman](#)

Sadikur Rahman, of the Lawyers' Secular Society, argues that the Law Society's response to criticism of its sharia guidance misses the point that the society has gone beyond its mandate and given credibility to discriminatory practices.

The Law Society's response... [Read More »](#)
