

Secular forums

These secular forums are intended for those with an expertise in, working in or training to work in education, healthcare or the law. If you're interested in these issues but are not an expert, then NSS membership is the best way to support our work in these areas.

- [Secular Education Forum](#)

Do you have a particular interest or expertise in schools, education and their relation to secularism?

[Read More](#)

- [Secular Medical Forum](#)

Do you have a particular interest or expertise in issues of religion, secularism and healthcare?

[Read More](#)

- [Secular Legal Forum](#)

Do you have a particular interest or expertise in legal issues and their relation to secularism?
