

# Write to your MP

## Removing 'the advancement of religion' as a charitable purpose

[You can read our new report "For the public benefit?" here](#)

MPs receive a lot of research and correspondence from campaigning organisations. When their constituents also share these reports it shows that voters care about this issue.

You can use the below template to share the report and its findings and recommendations with your MP; just enter your postcode to get started. Please consider taking the time to personalise it. Let your MP know:

- Why this matters to you
- What you'd like them to do about it.
- Any other interesting perspectives you may be able to offer on the issue.
